## Alessio Figalli, Fields medallist 2018

---

Partially supported by the Unione Matematica Italiana and the Mathematics Department of Pisa University

---

14 January 2019 - 17 January 2019

### Aims

---

This event, organized by SNS, UMI and the Mathematics Department of Pisa University, celebrates the Fields medallist Alessio Figalli, former student of SNS and of the University of Pisa, and PhD student at SNS and ENS Lyon. For this special occasion it has been decided to select speakers that had a major role in Figalli's career, either by inspiring and guiding him during his early stage, or by collaborating with him on the projects for which the Fields Medal has been awarded.

Registration is free but mandatory, for the purpose of a correct estimate of the number of participants.

The deadline for registration is November 30, 2018, at <http://crm.sns.it/event/440/registration.html>
